

Black & White Laser All-in-One with Duplex Print

The imageCLASS MF4880dw is a resilient and easy-to-use wireless¹ multifunction printer with fast print speeds, duplex printing and other convenient features helping any workspace achieve efficiency.

- Shared productivity with wireless connectivity¹ and print & copy speeds of up to 26 ppm/cpm.²
- Eco-friendly: Use up to 50% less plain paper with built-in duplex printing.
- Easy access to eco-friendly copying options, as well as scanning features, with Simple Solution Keys.
- Easy navigation through menus with the user-friendly 5-line LCD and a tiltable control panel.

High Performance + Wireless Connectivity

Designed for efficiency, the MF4880dw has a first copy out time (FCOT) of just 8.7 seconds³ and a first print time of just 5.8 seconds⁴ with Canon's Quick First Print technology. Save time in the office with fast printing and copying speeds of up to 26 ppm/cpm.² The MF4880dw can also be shared over a wired or wireless network.¹

Works Hard, Saves Paper

The MF4880dw features duplex printing, allowing users to save time and paper by printing 2-sided documents right out of the box. Users can also save paper by printing or copying up to 4 pages on one side of the paper (2 on 1 / 4 on 1).

Save Time with Simple Solutions

Simple Solution Keys give users quick and easy access to the printer's most useful functions. These keys make processes such as push scanning easy to do and put eco-friendly copying options at the single touch of a button.

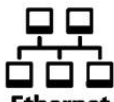

Printing, Copying and Faxing – Made Easy

A tiltable control panel, along with a 5-line LCD screen with animation, makes it easy to navigate through the MF4880dw's menus. This means less time searching and more time tackling projects.

Toner

Cartridge 128

- Yields approximately 2,100 pages based on ISO/IEC Standard)
- Starter Cartridge Included

Operating System

Windows® 7 / Vista® / XP

Windows® Server 2008 R2 / 2008 / 2003

Mac® OS X 10.5.8 and up

Environmentally Conscious

www.usa.canon.com/green

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Energy Saving Mode** - When the MF4880dw enters Energy Saving Mode, it has a low power consumption of 2.1 watts of energy.

SALES TIP!

Be sure to recommend an extra Genuine Canon toner cartridge so the office has one on hand whenever needed.

The MF4880dw includes a starter cartridge, so customers can start using the printer right away.

Why Choose the MF4880dw

Over the Lexmark X264dn

- Easily access the printer's most useful functions with Simple Solution Keys and a tiltable control panel.
- Eliminate messy toner changes and replace only one consumable with the Single Cartridge System.
- Save energy with 2.1W usage in Energy Saver Mode.

Over the Brother MFC-8480DN

- Share the MF4880dw with built-in Wi-Fi & Ethernet connectivity¹.
- Eliminate messy toner changes and replace only one consumable with the Single Cartridge System.
- Save energy with 2.1W usage in Energy Saver Mode.

¹ Wireless performance may vary based on terrain and distance between the printer and wireless network clients

² Print speed is based on internal testing. Print speed may vary depending on the number of copies selected, as well as on the settings for size, type and orientation of paper.

³ Letter size, after being restored from energy saver mode.

⁴ May vary depending on the output environment.

⁵ The Public Switched Telephone Network currently supports fax modem speeds of 28.8 Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines.

⁶ Based on ITU-T #1 Chart (standard mode).

⁷ Based on 20 lb. bond paper.

⁸ USB 2.0 Hi-Speed requires Windows 7, Windows Vista, Windows XP/2000 or Mac OS X operating systems.

⁹ Warranty program is subject to certain conditions and restrictions. See the warranty card for details.
